

**HOWELL TOWNSHIP
SEWER/WATER CONNECTION
PROCEDURE**

SEWER

1. **\$4600.00** payable to Howell Township for System Equity Fee (waste water treatment plant connection)
2. L C B D Plumbing Permit **\$80 - \$90**
3. Contractor **must** call Severn and Trent at 517-546-5767 before opening trench for lead, failure to do so relieves Howell Township from any liability that may be incurred due to incorrectly locating trench.
 - a. To bring sewer line from structure to sewer lead at the road, and
 - b. To retrofit structure from septic to sewer if necessary.
4. Abandon septic system on existing structures, contact Health Department for details 517-546-9850.

WATER

1. **\$4600.00** payable to Howell Township for System Equity Fee (water treatment plant connection)
2. Water Meter check to M H O G through Howell Township:
 - a. Existing structure **\$618.00**
 - b. New structure **\$618.00 + \$50.00** new user fee = **\$668.00**
ALSO:
 - c. May purchase 1" irrigation meter without PVB (back flow prohibitor) = **\$390.00**
May purchase 1" irrigation with PVB (back flow prohibitor) = **\$480.00**
3. L C B D Plumbing permit **\$80.00 - \$90.00**
4. Contractor:
 - a. To bring water line from structure to water lead at the road, and
 - b. To retrofit structure from well to public water if necessary.
5. Contact Health Department for details on existing well detachment 517-546-9850.

At this time it is **not** mandatory to hook up to sewer and/or water, **unless**, one of the systems fail then it becomes **mandatory**.

****Sewer and Water District #8 had some opted in and opted out properties: opted out did not have the special assessment spread over twenty years. Again it will be **mandatory** to hook up to sewer and or water in this district if one of the systems fails. Please contact the Township Manager, Lynn Meissner ext. 104 for the total amount that would be due prior to connection.**
